

INSTRUMENTATION					
	Thermal Mass Flow Meters, Thermal Flow, Level and Temperature Switches			Electromagnetic and Paddlewheel Flow Meters	
	Pressure Transmitters Differential Pressure Hydrostatic Level			Flow Switches and Transmitters	
	Thermal Mass Flow Meters			Pressure Switches, Temperature Switches, Level Switches and Flow Switches	
	Flow, Level, Pressure and Temperature Transmitters, Analytical Instruments			Pressure Transmitters and Switches, Temperature Transmitters and Switches	
	Pressure Gauges and Transmitters			Digital Thermometers and Fixed Infrared Pyrometers	
CONTROLS					
	Warning Signals, Horns, Lights and Strobes			Boiler Draft Controls, O2 Trim, Air Switches	
	Type X, Y, and Z Purge and Pressurizing Systems for Class I & II, Div. 1 & 2 IEC Ex, ATEX			Controllers & Indicators, Data Acquisition & SCADA, Process Sensors and Wireless	
	Indicators, Totalizers, Batch Controllers			I.S. Interfaces, Isolation, Displays, Temperature Transmitters	
	Flame Safeguard Controls, Flame Scanners and Parallel Positioning			Remote Alarms and Auto dialers	
	Heat Transfer, Turbulators for Boilers				

ANALYTICAL					
	Chlorine, Colorimetric, Nutrient, pH, ORP, Conductivity and Turbidity			Flammable and Toxic Gas Detection, Smart Alarm Controllers, System Engineering	
	Gas Analyzers, CEMS, Dust Emission Monitors, Opacity Meters and Stack Flow			Potable Water, Chlorine, Turbidity	
	Flue & Flare Gas Combustion, CO and H ₂ O Measurement			Total Solids, Low Solids and Dry Solids Measurement	
	Dissolved Oxygen and Suspended Solids			Humidity, Dewpoint, CO ₂ , Process Refractometers	
	Calibration Gas				
VALVES					
	Globe Valves, Triple Offset Valves, Pressure Relief Valves, Pressure Regulating Valves, Steam Traps			Air Release Valves	
	Pressure Regulators, I/P Transducers and Valve Positioners			Hygienic Pumps, Strainers, Valves and Sight Glass	
	Sight Glass Windows and Level Gauges
